### Regional Format

- **Teams will have five bowlers and one substitute.**

- **The substitute (6<sup>th</sup> bowler) can be used as normal, but if a substitute is used both the sub and the initial bowler are ineligible to qualify for the Singles Finals.**
- **In this four-game format, each of the five athletes would bowl four games for a total of 20 games for the Team total**

### Coaching Restrictions

To limit the number of people inside a house on Regional day, the number of coaches per team will be limited to **two coaches per gender per school**. We also encourage schools to limit that number if possible and if you have one coach per team, that is the number you should have on site. This is not the time to add coaches. Coaches are not allowed on the approaches.

### Tournament Entry, Team:

A school may enter only one team in the MHSAA tournament and that team may have a maximum of 6 members on the roster. Five students constitutes a team for the MHSAA tournament competition

### Tournament Entry, Singles:

School may enter a maximum of five (5) bowlers in each gender in the singles portion of the MHSAA Tournament.

### **Regional Bowling Ball limits**

Because of the this year's Regional format, space between pairs of lanes in most centers will be open. With the additional space, the restriction of bowling ball limits is being lifted and **increased to 4 balls per participant in the bowling center.**
