## Tournament Rules

### Occupancy, Capacity restrictions and streaming

**ONE SPECTATOR PER BOWLER IS ALLOWED AT TEN PIN, NO EXCEPTIONS!** Spectator names will be verified at the entrance door and each coach, bowler and spectator will need to be screened upon entering Ten Pin. **ALL BOWLERS, COACHES, SPECTATORS AND WORKERS MUST BE MASKED AT ALL TIMES.**

**We encourage live streaming of bowling regionals** one of your school's spectators.

### Regional Bowling Ball limits

Because of this year's Regional format, space between pairs of lanes in most centers will be open. With the additional space, the restriction of bowling ball limits is being lifted and **increased to 4 balls per participant in the bowling center.** There is still as strong recommendation that paddocks are not used or if they are, that only one person be allowed into the paddock at a time.

### Coach limits

To limit the number of people inside a house on Regional day, the number of coaches per team will be limited to **two coaches per gender per school.** We also encourage schools to limit that number if possible and if you have one coach per team, that is the number you should have on site. This is not the time to add coaches.

No cell phones/IPADS/other electronics allowed in the bowling area. Coaches may not use electronic devices for coaching.

Please read and share the following information about GoFan and the process we will use to get ticket links to the schools and their fans coming your way.....

### **BOWLING – NOTES FOR HOSTS**
