Seeding at MHSAA Finals – 9 Lane

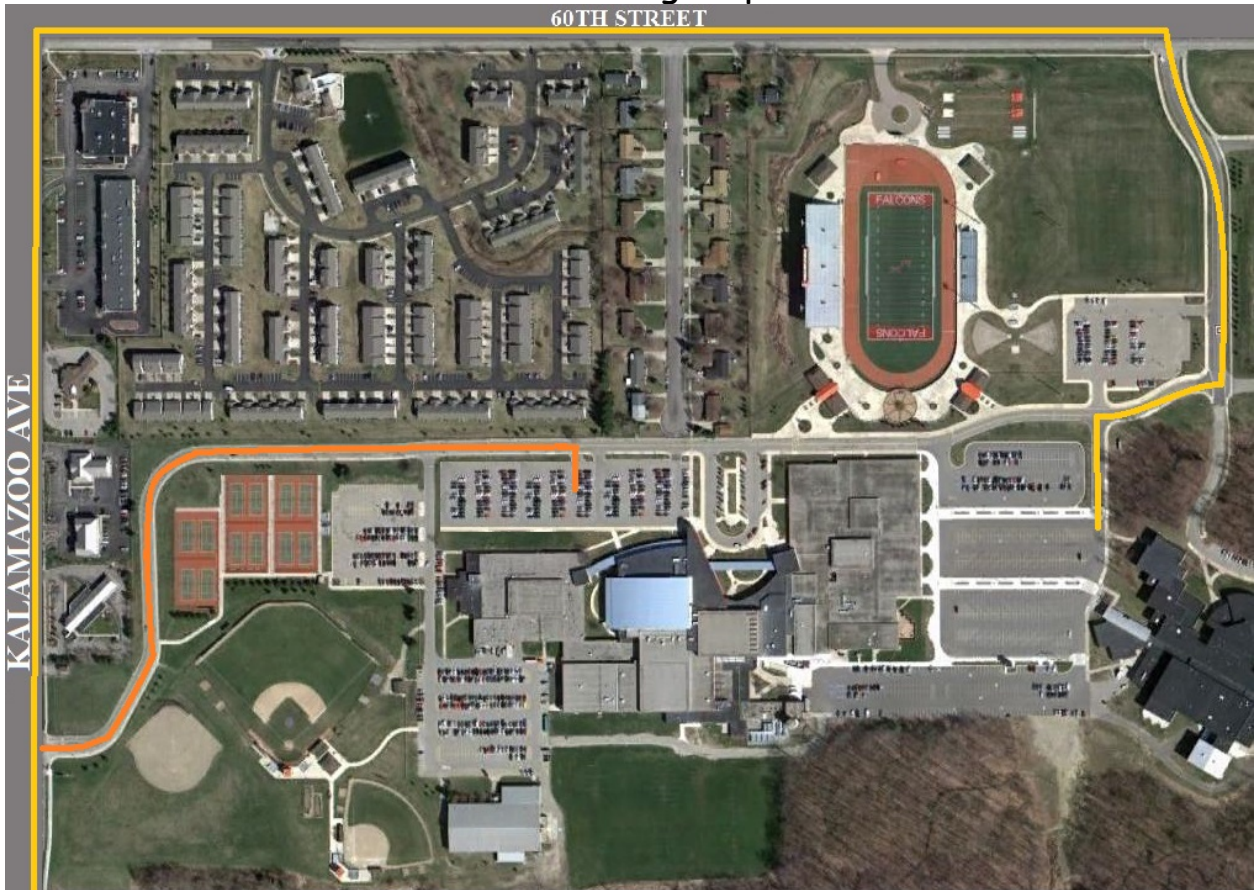

1. East Kentwood is a nine lane track. For all events 400 meters and less as well as the 4x100 relay, 4x200 relay and the 4x400 meter relay the preferred lane order will be:

5, 6, 4, 7, 3, 8, 2, 9 and 1

This puts the fastest seed in the middle lane of each event and it allows them to see the second fastest runner.

2. First round sprint events will run using as few heats as possible, so divide the field by nine and the fewest heats possible will be formed to get all athletes into a first round event.
 - a. Heat winners plus next 6 fastest times
 - b. Heat winners plus next 5 fastest times
 - c. Heat winners plus next 4 fastest times
3. Heats of the 800 meters run: one section if 20 or less runners; two sections if more than 20 runners with 18 competitors in the fast section. If after scratches there remain 21-24 competitors, there would be a fast heat of the best 12 plus ties. If there are 25 or more competitors, a fast heat of 16 plus ties will be conducted.
4. Heats of the 3200 run: 1 heat no matter what
5. Heats of the 1600 run: one section if 24 or less runners; two sections if more than 24 runners with 18 in the fast heat.
6. Heats of the 3200 Meter Relay: one section if 13 or less teams; two sections if 14 or more with 12 in the fast heat.
7. Waterfall starts: If there are 20 competitors/teams, seeds 1-6 will be place on the upper waterfall and seeds 7-20 will start on the lower waterfall. With 18 competitors/teams place 1-6 seeds on the upper waterfall and 7-18 seeds on the lower waterfall.
