

MHSAA Regional 15-2 & 30-4

Friday October 30th, 2020

Shepherd High School

321 S. Fourth Street

Shepherd, MI 48883

Parking & Team Camps:

The course is located to the south of the Shepherd Veteran's Memorial Field(Football Stadium) and access to the course is available by entering the Stadium and walking to the south. The start is located on the east practice field.

Teams will arrive and park in the parking lot between the Stadium and the Baseball/Softball Complex. Each team will be assigned a Port-A-Potty that is at the south end of this parking lot, please use only the one assigned to you. Your Port-A-Potty assignment is also your Box Number. Bathrooms will be cleaned regularly and please note there will be some overlap between the D4 and D2 teams who share a Port-A-Potty. If your team is not driving a bus please only bring 2-3 cars into the Parking Lot and have the rest park in the overflow lot to the North.

D4 Teams as you arrive please try to park on the South end of this Parking Lot to leave space for the D2 teams to arrive on the North end of this Parking Lot.

If you must setup a tent or make a normal team camp the only spot you may do this is just inside the gate. Reminder that all athletes, coaches and spectators in any areas of the complex must be wearing a mask unless they are athletes competing. If they wish to not wear a mask on their warm up or cool down then this must take place outside the complex.
