2021 MHSAA FOOTBALL FINALS

NOVEMBER 26-27

Welcome

Welcome to the MHSAA Championships! This is a classroom like no other, and now is the time for the final exam. Like the academic classroom, some have had good fortune and smooth sailing along the way in getting here while others have overcome adversity during the season. Even today, a good bounce or a bad bounce will occur.

Your athletic skills are put to the test, but more importantly, your discipline will be challenged, as well. The knack for making the right move at the right moment is often the difference between winning and coming up just short.

Discipline also means testing your self-control and people skills. To embrace our diverse opponents as equals, and to employ common decency – every – single – moment. Win or lose.

That’s the beauty of educational athletics. The takeaways today are not the trophies and medals, but the life lessons learned and applied over years of sports.

Congratulations for reaching the end of the tournament road. Good luck to all!

FEELS LIKE THE FIRST TIME

West Bloomfield, DeWitt and Centreville are no longer foreigners to the list of yearly MHSAA Football Champions, as all three schools fought through a wild and winding road in 2020 to cap the longest season on record with elusive hardware in hand.

West Bloomfield Runs Away in D1

It was never really a matter of if, but rather when Donovan Edwards was going to bust a big run.

The West Bloomfield senior answered the call last January, scoring on runs of 71 and 78 yards en route to a three-touchdown afternoon while leading his Lakers to a 41-0 victory over 2019 champion Davison in the Division 1 Football Final at Ford Field.

Edwards, who had already signed to play collegiately at the University of Michigan, finished the afternoon with 257 yards on just 14 carries. Despite not playing in the fourth quarter, he totaled the eighth-highest rushing total in MHSAA Finals history. And it was enough for head coach Ron Bellamy to make a major declaration.

“This here is the best football player in the state of Michigan,” Bellamy said of Edwards. “Five star. Big college. Whatever it may be. Teams come to stop one football player, and he had 200-some yards.”

Edwards’ talents were on display right away. After the two teams traded early fumbles, Edwards broke free on the first play from scrimmage for a 78-yard touchdown to give his team a 7-0 lead.

West Bloomfield would expand its lead to 17-0 by halftime thanks to a 39-yard field goal by senior Jake Ward and a 13-yard touchdown run by senior Mekhi Elam.

The Lakers defense was on display all afternoon, limiting the Cardinals offense to just 136 total yards. It forced a pair of fumbles and converted them into 14 points. Senior defensive end Niles King stripped the ball from the hands of Jay’len Flowers and returned it 40 yards to give his team a 24-0 lead less than a minute into the second half.

“We know that when you come to Ford Field you’ve got to play defense,”

FULL BLOOM West Bloomfield’s Donovan Edwards put his talents on full display during the 2020 MHSAA Division 1 Final, rushing for 257 yards and three TDs on just 14 carries.

Bellamy said. “Davison has a heck of a defense, but our defense was better today. Those guys were lights out.

“We had an early fumble in the game and they were playing Davison smash-mouth football. They hit us in the mouth. I told the kids, defensively, ‘They’re going to hit us in the mouth early; it’s how you respond to adversity.’ Once they fumbled the ball and we got it back, our defense was balling out.”

Senior linebacker Travis Reece led the Lakers with seven tackles, two for a loss, and added a sack. Senior linebacker Jordan Hoskins had six tackles.

West Bloomfield kicker Jake Ward connected on a pair of field goals, from 39 and 45 yards out, while converting all five of his point-after attempts. All seven of his kickoffs went for touchbacks.

Davison, which defeated Brighton 35-25 to win the 2019 championship, was playing without its regular-season

starting quarterback Brendan Sullivan, who enrolled early at Northwestern University. The Cardinals also suffered a loss in-game, when senior defensive end Harrison Unger went down with a leg injury. He left the game with eight minutes remaining in the first quarter.

“Harry is our best player,” Davison head coach Jake Weingartz said. “Defensive end, he plays tight end, slot receiver. He does a lot for us on both sides of the ball. It was unfortunate because he’s a huge part of our game-plan. It was rough.”

Without him, Davison had trouble stopping Edwards and Co. Senior Clarke Hamilton led the Cardinals (11-1) with six tackles.

For West Bloomfield (10-1), the championship was the first in school history. The Lakers lost to Clarkston, 3-2, in the 2017 Division 1 title game.

DEWITT CLAWS TO TOP IN D3

DeWitt head football coach Rob Zimmerman had every right to talk about how good it felt to capture his school's first-ever MHSAA Finals football championship last January.

But all he wanted to talk about after DeWitt's 40-30 victory over River Rouge in the Division 3 Final was the character and drive of his players. That's what was first and foremost on his mind.

"It's unbelievable, but I think the greatest part of it all is this is such a great group of kids," said the veteran coach, who previously has coached four Finals runners-up, the most recent in 2013. "I've been saying it all year long, but their character is unbelievable."

Hockey Weekly Action Photos

Total, the program was making its sixth championship game appearance, seeking its first title.

And it didn't take long for Zimmerman and his group to take steps toward earning it.

Junior quarterback Tyler Holtz broke open a scoreless game at the 5:50 mark of the first quarter, connecting with senior Blake Beachnau for a 15-yard touchdown to make it 7-0.

Blake Beachnau (9) began the scoring for DeWitt with a TD reception in the first quarter, as Thomas McIntosh (10) celebrates.

River Rouge would answer early in the second quarter, as senior Mareyohn Hrabowski would find junior Jalen Holly for a 52-yard touchdown. A two-point conversion

pass from Hrabowski to freshman Nicholas Marsh gave Rouge an 8-7 lead.

But it was at that point that the DeWitt defense stepped things up. And it also was the point when Holtz began to take over the game. The Associated Press' Player of the Year in Divisions 3 and 4 threw two more touchdown passes before halftime, then added another midway through the third quarter to help his team to a 27-8 lead. All three scores went to different receivers – eight yards to senior Andrew Debri, 35 yards to senior Nick Flegler and 25 yards to junior Thomas McIntosh.

Holtz finished the game 12-of-16 passing for 177 yards and four touchdowns. He also rushed the ball 15 times for a game-high 118 yards – and another score. River Rouge head coach Corey Parker admitted his team couldn't find a way to stop Holtz.

"(Holtz) is able to throw the ball on the run, and that creates threats to a defense like no other," Parker said. "Throwing the ball on the run, that's truly a dual-threat guy."

Hrabowski did his best to keep his team in the game. A four-yard touchdown run late in the third quarter and a 12-yard touchdown pass to Marsh early in the fourth helped keep it a two-touchdown game. He also added a three-yard touchdown run and ensuing two-point conversion to cap off a game in which he threw for 227 yards and ran for another 94.

Rouge defeated Muskegon, 30-7, in last year's Division 3 Final. Hrabowski returned, but many of the players on the roster were new.

"Our goal is to get here (every year)," Parker said. "If you've got young guys making plays like that, you know exactly what your future looks like, so I'm pretty excited about what we're going to do moving forward."

DeWitt (12-0) capped off a magical season which saw its offense put up nearly 500 points in 11 games played, while its defense was dominant, allowing just 78, including the Final.

CENTREVILLE GETS NO. 1 IN D8

It didn't take long in the D8 Final for the Centreville defense to prove its season statistics were no fluke.

The Bulldogs stuffed Ubly on a 4th-and-short at midfield on the first possession of the Final, setting the tone for a dominant performance in their 22-0 victory at Ford Field.

"The defense played hard today," Centreville senior defensive end and fullback Jared Spencer said. "I think we went all out – our seniors went all out just because it was our last game. Our first time making it to state, so I just think our defense, we were ready for the game."

The title was the first for the Bulldogs (11-0), who had never won a District title in the sport previously. While it didn't look like it to those observing, coach Jerry Schultz said the nerves were certainly there pregame.

"If they're going to say (they weren't nervous), then they're lying," said Schultz, who is in his first year leading the program. "I could see it on their faces that they were nervous, especially this morning."

The 11 wins are a school record, despite the regular season being shortened by three games. The program was in the postseason for the third straight year, but just the seventh in school history.

"All the offseason work in the weight room and all the conditioning – everything that we had done since we were freshmen, it's the best feeling to have to come in as a senior (and win) with this group of guys," senior quarterback and safety Sam Todd said.

Centreville was dominant throughout the year, with only two of the 10 games it played – its Semifinal was won by forfeit over Clarkston Everest Collegiate – being decided by single digits. That effort was led by a defense that had seven shutouts and allowed 29 points on the season.

The Bulldogs held Ubly (9-3) to 142 yards of total offense, but 103 of those came on second half possessions when they had already built a 22-0 lead. Ubly was held to 24 yards in the first half, and didn't record a first down until there was 3:54 to play in the third quarter.

Jacob Spencer led the Bulldogs defense with 10 tackles, while Ethan Brownridge had seven. Tristan McElroy had an interception in the end zone, which ended Ubly's best drive of the day.

The Bulldogs' ball-control attack chewed up clock, with nearly 30 minutes of possession to Ubly's 18. Todd was 6-for-7 for 130 yards and two TDs, both to Tyler Swanwick.

Hockey Weekly Action Photos

The Centreville defense lived up to its billing, limiting Ubly to 142 yards of total offense on its way to the school's first gridiron title.

COMING UP ROSES FOR MONA SHORES IN REPEAT

Game planning for an all-state football player like Brady Rose certainly isn't easy. In fact, it's downright awful just to think about.

The Muskegon Mona Shores senior quarterback once again proved that point to be true last year, leading his team to a 25-19 victory over Warren De La Salle Collegiate and a second consecutive MHSAA Division 2 championship at Ford Field in Detroit.

Rose rushed 22 times for 154 yards and a pair of touchdowns. But it was a 65-yard scamper early in the fourth quarter that proved to be the play of the game – a game filled with key plays by Rose.

"We ran that play quite a bit (today), but I wasn't being patient, I wasn't bouncing it to the outside," Rose said. "(This time) I just let it develop, let it do what it was supposed to do and I bounced it outside and took it down into the red zone."

The play lifted the spirits of the entire team and provided a much-needed boost of confidence.

"We get the ball down there, everybody is excited again. Everybody is hyped," he added. "After that run, we knew we were going to punch it in. Anytime we get into the red zone, we have to punch it in, and we did."

Three plays later, senior wideout Keondre Pierce scored on a 10-yard pitch to the right side, giving Mona Shores a 19-7 lead with 9:25 left in the game.

De La Salle, which trailed 13-0 at halftime, didn't give up. The Pilots answered right back on a 52-yard touchdown run by senior JC Ford with 7:58 to play. The drive took just 1:21 off the clock and also included a 23-yard pass from Ford to senior running back Brett Stanley to help set up the touchdown run.

After a quick three-and-out, the Sailors then relied on their defense to get the ball back. Coach Matt Koziak's team came up with a clutch stop on fourth down, on De La Salle's half of the field. Seven plays later, Rose scored his second touchdown of the game, this time from four yards out to give his team a 25-13 lead with just 1:47 left to play.

De La Salle did move the ball down the field quickly, scoring on a four-yard keeper by sophomore quarterback Brady Drogosh with

Muskegon Mona Shores quarterback Brady Rose was dangerous on the ground, leading the Sailors to a repeat in Division 2.

Hockey Weekly Action Photos

16 seconds to play. But it wasn't enough, as Rose recovered the on-side kickoff attempt and then took a knee to end the game.

The Mona Shores defense, led by senior Kyree Hamel, who finished with 11 tackles and an interception, held De La Salle to just 50 total yards and three first downs in the first half. The Pilots totaled 62 yards on the ground during their drive to start the second half. Ford provided a change of pace for De La Salle, running the ball six straight times to begin the drive. After runs of 15 and 10 yards by freshman Rhett Roeser moved the ball inside the 5-yard line, Ford capped the drive with a four-yard touchdown run to get his team on the scoreboard.

Mona Shores (12-0) finished with 311 rushing yards. Along with Rose, junior Elijah Johnson had a good game on the ground with 81 yards and a nine-yard touchdown. Rose also returned three kicks for 48 yards, averaged 39 yards on his three punts, blocked an extra point and had eight tackles on defense.

BIG PLAYS LEAD NEW LOTHROP TO DIVISION 7 CROWN

It had been a while since the New Lothrop offense had made a big play during the 2020 Division 7 title game.

The Hornets had seen a 28-point lead shrink to seven and were staring down another big third down. In need of a spark, they turned to the player who had given them so many earlier in the game, and once again, Julius Garza delivered.

Garza converted the third down, and eventually scored his fourth touchdown to help seal New Lothrop's 42-35 victory over Traverse City St. Francis at Ford Field.

"Their backers were keying on (Will) Muron all night, so I knew when they flew up, Julius would come open," New Lothrop senior quarterback Cam Orr said. "I knew if I threw him the ball, he'd catch it no matter where it was."

Garza scored four touchdowns in the game – two rushing, one receiving and one on a kick return – to tie him for fourth in MHSAA Finals history for touchdowns in a game. He had 139 yards receiving on four catches and 26 yards rushing on four carries.

It was his 3rd-and-6 conversion with his team in its own territory and clinging to a seven-point lead, however, that was likely his biggest play of the game. His 26-yard reception on the next play was also in the running, as was the nine-yard touchdown run that put New Lothrop up 42-28 with 2 minutes, 26 seconds to play.

"It means everything," Garza said. "It's kind of taken a little bit

to settle in. I feel like I'm on top of the world right now. It's really exciting. All the work we put in, and everything we do, for it to pay off, it means the world."

The title was the Hornets' third, and first since 2018. If not for a one-point Regional Final loss in 2019 against eventual champion Pewamo-Westphalia, the program could have a three-peat.

"We've always had tremendous community backing. We've always had tremendous kids that have put in the same amount of work these guys have," New Lothrop coach Clint Galvas said.

At halftime, it looked as though New Lothrop (11-0) would be cruising to title No. 3, as it built a 35-7 lead.

St. Francis (9-3) clawed back into the game using its power run game to nearly erase the deficit. The Gladiators didn't go away after Garza's final touchdown, either, scoring with a seven-yard pass from Peterson to Josh Grove with 1:07 to play.

SILVERI STRIKES FOR GRCC

Frankenmuth came into the 2020 Division 5 Football Final with staggering defensive numbers.

The Eagles had held opponents to 6.8 points and 27 yards rushing per game, and 1.1 yards per carry. Just three opponents had scored in double digits, and Frankenmuth had won each of those games comfortably.

Hockey Weekly Action Photos

Grand Rapids Catholic Central was well aware of those numbers – so much so that coach Todd Kolster recited them off the top of his head after the game. But the Cougars were also aware of the playmakers they had on offense, and the opportunities they would have to make plays.

Behind a six-touchdown performance from junior quarterback **Joey Silveri** (left), Catholic Central did just that, claiming a 48-21 victory against the Eagles at Ford Field, the second-straight title for the Cougars, and fourth in five years.

It was the second-straight year that Silveri accounted for six touchdowns in the Finals, as he did the same against Detroit Country Day in 2019. He threw for three touchdowns and ran for three more. He finished the night with 172 yards on 9 of 15 passing, and 104 yards rushing.

“I love playing in big games,” Silveri said. “It’s what you play for; it’s a lot of fun. All the preparation we did through this week, it all paid off.”

Silveri and the Cougars (11-0) wasted little time spreading the field and putting their athletes in space to keep Frankenmuth’s aggressive defense off balance. He hit senior running back Nick Hollern for a 30-yard pass on the first play from scrimmage, and each of the first two drives ended with touchdown passes to the Cougars’ Division I-bound receivers – an 11-yard pass to junior tight end Nolan Ziegler (Notre Dame) and a 13-yard pass to senior receiver Jace Williams (Miami of Ohio).

The Cougars built a 28-7 lead by the half and went up 35-7 early in the third quarter.

The hill was too high to climb for Frankenmuth (11-1), which was making its first Finals appearance. The Eagles have been a near-constant playoff presence, making it in each of the past 10 years and qualifying for seven Semifinals since 1987.

MONTAGUE QB LEADS WAY

Montague football coach Patrick Collins was well prepared. After a week of getting emotional when asked what it would be like coaching his son, Drew, for the final time in the MHSAA Division 6 Final, he told himself that he wouldn’t cry again if asked the question after the game.

He accomplished that feat, making him perfect on the night.

The Collins family will be celebrating their final game together forever, as they claimed Montague’s third Finals title with a 40-14 victory over Clinton at Ford Field.

“You can’t finish any better than that,” said Patrick Collins, who has been at the helm for all three Montague titles. “How does it get any better? It’s been a phenomenal run. Just pinch me, man. I just can’t believe it. I think all the coaches feel like (the players are) all our sons. We treat them all the same. ... It’s special, because we’re tight. There’s a lot of love and a lot of guys playing for each other.”

While the postgame press conference was tear free, the Montague sideline was not as the clock ticked down in the final quarter. A program that had come agonizingly close in each of the past two years – losing in the Final in 2018 and losing a thriller of a Semifinal in 2019 – had broken through for the first time since winning back-to-back titles in 2008 and 2009.

“Everybody on this football team, coaches, players, trainers – everybody on this football team loves high school football,” said **Drew Collins** (right), the Montague senior quarterback who accounted for five touchdowns on the night.

Hockey Weekly Action Photos

The Associated Press Division 5-6 Player of the Year, made the most of his final game in a Montague uniform, throwing for 244 yards and three touchdowns on 15-of-19 passing. He also rushed for 51 yards and two scores.

That led an offensive attack which put up 390 total yards and scored on all but two of its possessions – one of which ended on downs late in the game as the Wildcats were attempting to run out the clock.

All three of Collins’ touchdown passes went to Sam Smith (nine, 44 and 26 yards), who had five receptions for 96 yards total. Tugg Nichols added five catches of his own for 89 yards, while Dylan Everett had 52 yards and a touchdown on nine carries.

Brayden Randolph led the way for Clinton in his final game, rushing for 194 yards on 23 carries. He also had eight tackles, while Lehman led the Clinton defense with nine tackles, and Nik Shadley had six.

COUNTRY DAY BLANKS CADILLAC

As the final seconds ran off the clock during the 2020 Division 4 championship game Friday night at Ford Field, it all began to set in for Detroit Country Day senior Danny MacLean.

He finally got to see his dad, Yellowjackets’ head coach Dan, win an MHSAA Football Finals championship.

Hockey Weekly Action Photos

“I’ve been here five times now, we hadn’t won a game at Ford Field,” the younger **MacLean** (left, trophy) said. “I was always the ball boy, the water boy out on the field. Now, senior year, coming out here and getting one for that guy, it means the world to me.”

Country Day defeated first-time finalist Cadillac,

13-0, picking up its third-straight shutout in these playoffs. The Yellowjackets last won a Finals championship in 1999, that coming in MacLean’s second year as the head coach at the school. His teams fell a win short in 2007, 2008, 2012, 2016 and again in 2019.

“I thought I couldn’t win in Ford Field. I was like, ‘Can we get the Silverdome back?’,” MacLean joked after the game.

MacLean and fellow senior Nick Wachol spearheaded a dominant Yellowjackets defense, which limited the Vikings to just 166 total yards. MacLean and Wachol each finished with a team-leading nine tackles. Wachol had three tackles for a loss to go along with two sacks. MacLean had a key interception late in the second quarter, helping keep Cadillac off the scoreboard just before half.

Cadillac used five running backs in the game, along with junior quarterback Aden Gurden, who led the team with 14 carries. Junior Collin Johnston led the Vikings with 53 yards rushing, while sophomore Kaleb McKinley and Gurden added 39 and 37, respectively.

The Yellowjackets’ offense scored its lone touchdown of the game with a 12-play drive in 6:33 to open the third quarter. Four Country Day players ran the ball, with freshman Gabe Winowich capping it with a four-yard touchdown to give his team a 13-0 lead.

Title IX Turns 50, and Results Speak Volumes

To say that American female athletes dominated the recent Olympics in Tokyo would be an understatement. Among the 66 medals earned by American female Olympians – most by any country in the history of the Games – were gold-medal performances by the U.S. basketball, volleyball, water polo and beach volleyball teams. Eighteen medals were earned by the U.S. women swimmers, female track and field athletes claimed 15 medals, and the U.S. women’s softball and soccer teams won silver and bronze medals, respectively.

In the past 30 years of the Olympic Games, the United States has dominated the women’s team sports of basketball (nine golds), soccer (four golds, one silver, one bronze) and softball (three golds, two silvers) — not to mention the untold number of medals in track and field. And this past summer, the U.S. women’s volleyball team claimed its first gold medal.

These performances by some of our nation’s most skilled female athletes never would have been possible without the passage of Title IX and the offerings of these sports through our nation’s schools. With the chance to play afforded by the landmark Title IX legislation in 1972, girls participation in several high school sports skyrocketed in the years that followed.

When the NFHS conducted its first participation survey in 1971, basketball and outdoor track and field were the primary girls sports, comprising about two-thirds of the 294,000 total. However, with the opportunity to play additional sports, girls flocked to volleyball and softball first, along with cross country and eventually soccer.

Soccer, in fact, has had the most remarkable growth. In 1971, only 700 girls were playing high school soccer. Twenty-five years later, that number had climbed to almost 210,000; and as the 50th anniversary of Title IX approaches, there are now almost 400,000 girls playing high school soccer – a staggering 56,200 percentage increase in 50 years. Soccer now ranks fourth in popularity among girls high school sports – all because of that opportunity in 1972.

There are many other success stories, however. The pre-Title IX survey in 1971 indicated that 1,719 girls were participating in cross country. With increases every year until 2015, today, there are 219,345 girls competing in high school programs and the sport ranks sixth in popularity.

Although participation numbers have leveled a bit the past 10 years, fast-pitch softball is another sport that flourished after the passage of Title IX. With fewer than 10,000 participants in 1971, the numbers quickly rose to 220,000 by 1985 and 343,000 by 2000, and softball is currently fifth among girls sports with 362,038 participants.

Since track and field and basketball were the primary sports in the early days of girls sports programs, increases in those sports have not been as dramatic; however, they remain the first and third most-popular sports, respectively,

In the 50 years since the landmark Title IX legislation, girls around the nation have had plenty to celebrate.

today. Volleyball, however, much like soccer, continues its upward climb.

Without a doubt, volleyball has seen the steadiest increases among girls high school sports the past 50 years. After starting with 17,952 participants in 1971, the numbers jumped to 300,810 by 1990 and 409,332 by 2010 and 452,808 by 2018. During its climb, volleyball surpassed basketball as the No. 2 girls sport.

And among the top six girls sports from 2010 to 2018 (numbers are not available the past two years due to the pandemic), volleyball has gained the most participants (43,476), followed by soccer (32,549). And all of this has occurred thanks to legislation passed in 1972 that was not fundamentally meant to address opportunities for girls to participate in high school sports.

The NFHS is leading a yearlong celebration of the 50th anniversary of Title IX, which officially occurs on June 23, 2022. “Title IX at 50 – Celebrating and Growing Opportunities” is highlighting the law’s impact by celebrating the inspirational individuals and landmark moments in the history of Title IX, and continuing to grow the educational and competitive opportunities for the future.

The MHSAA is joining in the celebration with regular installments on its feature website, MHSAA SecondHalf. Join us in recognizing the key people who helped build and promote opportunities for female student-athletes in Michigan.

Scholar-Athlete Award in 33rd Year Awarding Scholarships to Students

Thousands of students voluntarily extend their classroom day by taking part in extracurricular activities, often improving their academic achievements in the process. The value that such programs play in the total education of a high school student is highlighted through the MHSAA/Farm Bureau Insurance Scholar-Athlete Award, which will award \$2,000 scholarships to 32 top student-athletes and recognize over 2,000 other outstanding individuals in 2021-22.

Underwritten by Farm Bureau Insurance, the Scholar-Athlete Award is now in its 33rd year, and presents scholarships to students in every MHSAA enrollment classification. The scholarships may be used at any institution of higher learning.

“It is amazing to see the number of young people who are proven achievers in academics and activities,” said Mark Uyl, executive director of the MHSAA. “At a time when our educational system is coming under fire, the Scholar-Athlete

Award is something that proves how important athletics are to the development of a well-rounded person.”

Students applying for the Scholar-Athlete Award must be graduating during the 2021-22 school year, carry a 3.5 grade-point average, and have previously won a letter in a varsity sport that the MHSAA sponsors postseason competition.

Applicants will also be required to show involvement in other school-community activities and submit an essay on the importance of sportsmanship in educational athletics.

Application materials can be found on MHSAA.com. Scan the code below to access the page.

Each MHSAA member school is allowed to nominate a number of student-athletes based on the size of the school. Class A schools can nominate six boys and six girls, Class B four boys and four girls, Class C three boys and three girls and Class D two boys and two girls. The first 30 scholarships will be awarded based on this graduated scale, with two additional scholarships intended for minority applicants.

A committee composed of school administrators from across the state will select regional and statewide winners.

Farm Bureau Insurance, a long-time supporter of MHSAA activities, also sponsors other educationally oriented programs.

The 32 scholarship recipients will be recognized at the MHSAA Boys Basketball Finals at the Breslin Student Events Center in East Lansing in March 2022.

The annual scholar-athlete ceremony is one of the highlights of the winter season. More information about the awards may be obtained by contacting your local school principal, athletic director or guidance counselor. The online application form can be found at MHSAA.com/scholarship.

Student Advisory Council Aids MHSAA

Eight student-athletes who are juniors at their schools during the 2021-22 academic year have been selected to serve two-year terms on the Michigan High School Athletic Association's Student Advisory Council.

The Student Advisory Council is a 16-member group which provides feedback on issues impacting educational athletics from a student's perspective, and also is involved in the operation of Association championship events and other programming. Members of the Student Advisory Council serve for two years, beginning as juniors. Eight new members are selected annually to serve on the SAC, with nominations made by MHSAA member schools. The incoming juniors will join the group of eight seniors-to-be appointed a year ago.

Selected to begin serving on the Student Advisory Council in 2021-22 are: **Sam Gibson**, Plainwell; **Brady Leistra**, East Grand Rapids; **Caroline Li**, Okemos; **Sam Matias**, Lansing Catholic; **Zar'ria Mitchell**, Saginaw Heritage; **Carney Salo**, Escanaba; **Brandon Thompson**, Petersburg Summerfield; and **Keira Tolmie**, Clarkston.

Those eight new members were selected from 114 applicants. That applicant total was 40 percent more than the total number of applicants who generally apply for SAC positions every year.

The first Student Advisory Council was formed for the 2006-07 school year. With the addition of this class beginning this summer, members will have represented 122 schools from 46 leagues plus independent schools that do not play in a league. Combined, the new appointees have participated in 12 MHSAA sports, and five will be the first SAC members from their respective schools.

The Student Advisory Council generally meets seven times each school year, and once more for a 24-hour leadership camp. Last school year, due to COVID-19, the Council met nearly twice as many times, but virtually all but once when members met for an outdoor, socially-distanced session.

In addition to assisting in the promotion of the educational value of interscholastic

2021-22 Student Advisory Council

First Row: Brandon Thompson, Petersburg Summerfield; Carney Salo, Escanaba; Sam Matias, Lansing Catholic; Keira Tolmie, Clarkston; Sam Gibson, Plainwell; and Caroline Li, Okemos. **Second Row:** Faith Breinager, Frankenmuth; Amina Ferris, Dearborn; Ashton McNabb, Three Oaks River Valley; Brock Porter, Orchard Lake St. Mary's; Melik Williams, Ypsilanti Lincoln; Nico Johnson, Britton Deerfield; Brinlee Barry, Caledonia; and Brenna Kosal, Peck. **Not Pictured:** Brady Leistra, East Grand Rapids; and Zar'ria Mitchell, Saginaw Heritage.

Student Advisory Council Belief Statement

As the voice of Michigan's student-athletes, the Student Advisory Council's role is to convey the message of how high school sports are supposed to be played. We are responsible for helping the MHSAA maintain a positive and healthy atmosphere in which interscholastic athletes can thrive.

*We believe **athletes** should be competitive, sportsmanlike and excel academically. We believe **students** in the stands should have fun, but not take the focus away from the game. We believe **coaches** should act as teachers, helping student-athletes develop while still keeping high school sports in perspective. We believe that **parents** should always be positive role models and be supportive of their child's decisions. We believe **officials** commit their own time to high school sports and respect should always be shown and given to them.*

The most important goal for student-athletes is to enjoy high school sports while keeping a high level of respect between all those involved in the games.

athletics, the Council discusses issues dealing with the 4 S's of educational athletics: scholarship, sportsmanship, safety (including health and nutrition) and the sensible scope of athletic programs. There also is a fifth S discussed by the group – student leadership.

The new additions to the SAC will join the Class of 2022 members who were

selected a year ago: **Brinlee Barry**, Caledonia; **Faith Breinager**, Frankenmuth; **Amina Ferris**, Dearborn; **Nico Johnson**, Britton Deerfield; **Brenna Kosal**, Peck; **Ashton McNabb**, Three Oaks River Valley; **Brock Porter**, Orchard Lake St. Mary's; and **Melik Williams**, Ypsilanti Lincoln.

The MHSAA Representative Council

The Representative Council of the Michigan High School Athletic Association is the body assembled to carry out the wishes of member schools. The Council meets several times annually to discuss and pass legislation concerning interscholastic athletics in Michigan.

The Representative Council is made up of 19 members, with all but five elected by a vote of MHSAA-member schools to represent different geographic regions, different sizes of schools, nonpublic schools, and junior and middle schools. Two members are elected to statewide at-large positions. Four members are appointed by the Council to facilitate representation of females and minorities, and the 19th position is occupied by the Superintendent of Public Instruction or his/her designee.

The officers and two other representatives form the MHSAA's Executive Committee, which meets on a monthly basis during the school year to review eligibility appeals and other current business.

FINALS NOTES

Your Officials Today

Just as the participants on the teams at this year's Finals are realizing a dream of vying for top honors, another group of individuals are also reaching a goal for the hard work they have put in by being assigned to officiate the action.

Officials for MHSAA Finals are selected from an Association committee of member school personnel from across the state, based on the recommendations and ratings by schools, as well as from input from local officials associations.

These officials believe that interscholastic athletics are truly educational in nature, and work to uphold that standard. Like the athletes in the Finals, officials come from all corners of Michigan.

Selected to work this year's Finals are: **Brad Austin**, Negaunee; **Justin Bazan**, Zeeland; **Dennis Bickerstaff**, Perry; **Charles Bott**, Buckley; **Alex Briggs**, Rockford; **James Bunkelman**, Monroe; **Hershell Bell**, Detroit; **John Clark**, Farmington Hills; **Brent Clark**, Allendale; **Kris Shoemate**, Reese; **Toby Crull**, Marshall; **Eric Danielson**, St Ignace; **Mark Dellangelo**, Marquette; **Jayson Dibble**, Holland; **James Dworman**, West Bloomfield; **Lionel Elcock**, Redford; **Jim Foster**, Cassopolis; **Robert Garvelink**, Schoolcraft; **Gary Gilliland**, Trenton; **Richard Gills**, Grand Rapids; **William Gomoluch**, Deerfield; **Marvin Hardy**, Grand Ledge; **John Hartley**, St Clair Shores; **Andrew Hayner**, Grosse Pointe Farms; **Thomas Heabeart**, Macomb; **Barry James**, Marquette; **Mark Jarlock**, Frankenmuth; **Sims Johnson**, Flint; **Quincy Jones**, Detroit; **Donald Jones**, Monroe; **Stefanie Jones**, Nashville; **Arthur Kurtze**, Carson City; **Brian Lamour**, Monroe; **David Leyton**, Flint; **Robert Loof**, Ypsilanti; **Donald Lougheed**, Swartz Creek; **Calvin Sanders**, Lansing; **Richard Massa**, Fenton; **Curtis Messing**, Portage; **Bradley Mutnick**, Ann Arbor; **Tom Jordan**, Parchment; **Mark Parrinello**, Northville; **Troy Perkins**, Webberville; **Darrick Puffer**, Burton; **Dominic Pulaski**, Whitehall; **Mike Reed**, Traverse City; **Darric Roesler**, North Muskegon; **Michael Rose**, Pinckney; **Paul Seifert**, DeWitt; **Patrick Seiser**, Blissfield; **Kendall Sherman**, Southfield; **Mark Stewart**, Traverse City; **Michael Walters**, Mattawan; **Jason Wildey**, Freeland; **Pete Zapata**, Battle Creek; **Michael Zilli**, Grosse Pointe Woods.

Behind The Scenes

The hallmark of a strong association is its ability to work together for the common good. Every year, over 8,000 game officials and 50,000-plus administrators and coaches at over 1,300 middle, junior and senior high schools voluntarily pool their efforts daily for the operations of the MHSAA's competitive extracurricular interscholastic athletic program.

An important responsibility of membership in the Association is the operation of the hundreds of District, Regional and Final level tournaments by school administrators who serve as the site managers for these games. The behind-the-scenes work of these individuals ensures a memorable experience for the participants.

The MHSAA thanks tournament staff for the 2021 Finals – **Mike Evoy**, Associate Director Detroit Catholic League; **Donta Favors**, contest official, Detroit; **James Sparks**, coach, Novi; **Ty Sparks**, Clawson; **Tyler Smith** and **Xavier Evoy**,

Coordinating the Finals from the MHSAA office on-field are Assistant Directors **Will McKoy** and **Brent Rice**, along with several other MHSAA staff members. The press box is coordinated by Director of Broadcast Properties **Jon Ross** and Communications Director **Geoff Kimmerly**.

The MHSAA would like to recognize the efforts of these individuals and the other individuals who have donated their time and talents to make the Finals a success.
