The following is information regarding race preparation and logistics that we hope will be helpful in your preparation to participate in this year's Regional Ski Meet.

Venue: Nub's Nob is our host; they are always incredibly supportive in race logistics and providing our athletes and spectators with world class facilities for our event. Be sure to thank them.

Eligibility Lists & Run Orders: Master Eligibility Lists and Running orders must be submitted on MHSAA's Official Master Eligibility & Ski Running Order Forms available on the MHSAA website. Submit via email to Scoring@HSSkiTeam.com no later than February 6, 2017 @ 4:00pm.

Volunteers: Per MHSAA rules: *"Each team in the MHSAA Regional Meet must provide two workers (ski or hill qualified) for each gender for both morning and afternoon events, or receive a five point penalty. In the event the position is not filled with two qualified individuals by that school, the head coach or member of that school's coaching staff will fulfill the responsibility assigned to the school. Failure to comply would subject the team to unsportsmanlike conduct sanctions consisting of 5 points added to the team's total score* Please complete the attached Team Information Form and return it with your running orders.

Communication: In order to facilitate communication before the Regional Meet please complete the attached Team Information Form and return it with your running orders.

Results: Results will be available on www.Live-Timing.com – a great option for families and others who are unable to attend the meet.

We look forward to a great day of racing and wish each team, coach and athlete the best of luck. Please contact us if you have any questions or would like additional information.

Sincerely,
